COMPARISON

PHARIO (C2318YB00) – PHARIO (C2316XX00)

- smaller packaging volume by 40 %
- weight reduction of 100 g

PHARIO (C2316XX00)

MAINTENANCE

Lifetime of this product depends on the frequency and the environment (salt, sand, moisture, chemicals, etc.) in which is used. Without taking wear or mechanical damage into account and in compliance with the conditions specified in the instructions for use this product may be used 15 years from the date of production and 10 years from the date of the first use. However mechanical damage can occur during the first use, which can limit the lifetime of this products only to its first use.
