

If you're looking for a versatile three-buckle harness for both outdoor and indoor climbing, RAY is the right choice. It can easily handle multi-pitch routes too.

DESCRIPTION

4mm EVA foam padding is covered on the inside with a porous textile for better sweat wicking, and on the top side with a highly abrasion resistant fabric.

For quickdraws and other equipment, you have 4 shaped gear loops with a capacity of 5 kg, which have a top braiding with a special treatment for greater durability.

Reinforced tie-in points for longer life of the harness are a matter of course.

3 new Singing Rock double buckles on the waist belt and leg loops allow ideal harness adjustment for any climbing activity.

Rear loop with a load capacity of 10 kg can carry additional equipment or a chalk bag.

Low weight, comfortable construction and reasonable price will be appreciated especially by beginner climbers and climbing gym rentals.

Very smooth tightening thanks to the soft and durable webbing.

Durable belay loop has a width of 12 mm and a strength of 15 kN.

Adjustable and detachable rear stretch straps between the waist belt and leg loops.

KEY FEATURES

- 3 buckles
- comfortable
- long lifetime

STANDARDS

CE 1019  
EN 12277, type C

FEATURES

365 g / 12.87 oz  
(size M)

3 YEARS  
warranty

MATERIALS

- 43 % PES
- 23 % PAD
- 21 % steel
- 13 % EVA foam

COMPARISON

RAY C5087 vs. RAY C5038

- 20 g lighter
- stiffer foam provides greater comfort
- shaped gear loops with abrasion resistant braiding
- new Singing Rock double buckle instead of Rock&Lock buckle

RAY C5038

MAINTENANCE

Lifetime of this product depends on the frequency and the environment (salt, sand, moisture, chemicals, etc.) in which is used. Without taking wear or mechanical damage into account and in compliance with the conditions specified in the instructions for use this product may be used 15 years from the date of production and 10 years from the date of the first use. However mechanical damage can occur during the first use, which can limit the lifetime of this products only to its first use.

beware of salt

beware of UV

beware of chemicals
