2 years guarantee
2 roky záruka

- for racking ice screws, pitons and industrial tools on the harness
- easy clipping and un-clipping
- the nose on the upper part allows to set away some staff in order to access staff on the bottom
- suitable also for clipping ice tools when rappelling or belaying
- rubber part fixes the Porter on place and prevent it from rotation

WARNING: NOT FOR CLIMBING !

The Porter is NOT load-bearing! It is not designed to hold human's weight.
Do not use it for protection or belaying.
